PETITION FOR EXTENSION OF TIME AND
CORRECTIVE AMENDMENT PURSUANT TO 37 CFR § 1.116

Mail Stop Amendment
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This Amendment is being filed under 37 CFR § 1.116, in accordance with the requirements of 37 CFR § 1.121. The applicant also hereby requests a three month extension of time in which to respond to the Office Action dated May 24, 2007. Notably, because November 24 is a Saturday and November 25 is a Sunday, the period for responding within the three month extension period ends on November 26, 2007. You are hereby authorized to charge the \$1050 for this action, respectively pursuant to 37 CFR §§ 1.17(a), along with any other charges deemed proper and necessary for entry of this Amendment in view of applicable USPTO regulations, to Deposit Account No. 05-1325.

In order to correct an obvious clerical error made without any deceptive intent, entry of the items identified below is requested:

- Corrected Affidavit of Mark A. Schubert Pursuant to 37 CFR 1.132

- Petition for Extension of Time

Applicants believe the corrected affidavit under 37 CFR §1.132 is appropriate and necessary. Specifically, in the original affidavit dated March 9, 2007, the affiant inadvertently transposed (and thereby misidentified) the current application and a published application cited by the examiner in paragraph 2 of that affidavit. Because of this error, it could be possible for a person to misconstrue the import and intent of that affidavit. Accordingly, entry of this paper is appropriate under 37 CFR § 1.116 because it will, at a minimum, clarify a central issue for the appeal, particularly to the extent that it is the applicants contention that the teachings of the prior art have been applied in a manner that is inconsistent with the expectations someone skilled in the art would otherwise have.

In view of the foregoing, entry of the enclosed papers and/or, to the extent the examiner may have misconstrued the affidavit of March 9, 2007, reconsideration and allowance of the claims of record is hereby requested.

Respectfully submitted,

Date: 11/21/07
